## COMPETITION !

As promised, we've got some Smaller goodies to give away thanks to our friends at Better Records. Their last single was called Wasted (It should have been No 1 for weeks but it's a funny old world) Anyway, we've got a promo 3" CD single of it, AND a Smaller T-shirt, and as if that wasn't enough, it all comes in a Smaller waste-bin! One of you lucky people can win all of these fantastic prizes simply by answering the following question:

*What was the name of Smaller's debut single?*

Send your answers on a postcard to the address on page 2. I only hope you don't get wasted!
