

# STEP OUT

...Best playing the G & C chords with two fingers on B & E strings (3rd fret)...

D C G C G C D  
What she said, she said to me. Take me high on a mountain side  
D C G C G C D  
She was dressed up in leopard skin, and her soul would never be denied  
A C G C G  
I met her down a disco in a beat up car, she was burning down the road  
A E G  
She looked just like a star in her Jaguar, she needs to lighten her load

D G C  
And when you might, think you're gonna cry  
D G C  
You will be alright, step out tonight  
D G C  
You might think you're gonna cry  
D G C  
It will be alright, step out tonight

D C G C G C D  
What I said, I said to her, I'm alive when you walk that way  
D C G C G C D  
Can you hear what I can hear? It's the sound of a brand new day  
A C G C G  
She met me down a disco in a beat up car, I was burning down the road  
A E G  
I can be a star in a Jaguar, I need to lighten my load

Chorus...

G D  
My whole life's been sinking in the water  
C A  
I need a ship, not your sweet lip tonight

Chorus (x2)

Step out tonight (x10)

Tonight (x6)
